

Life is a journey, Discover your Iowa Veterans Home

It's about Service

When duty called it has always been the Veteran who stepped forward to defend our country. Since 1887 the people of Iowa have recognized that devotion with it's commitment to the Veteran and family to provide the needed care they so richly deserve.

"Iowa Forgets Not the Defenders of the Union" is not just the motto of the Iowa Veterans Home since it's origin, it is a daily goal.

Because of your service, as a family member or a citizen of Iowa you may be assured that The Iowa Veterans Home makes every effort to provide the best of care for our honored Veterans and families. It is now time that "Service" is extended to you.

It's about Caring

"Caring, Our Only Reason for being" is the Mission Statement of the Iowa Veterans Home. It simply states that the only mission we have is to provide the care of the Veteran and spouse. That means that as a resident of the Iowa Veterans Home whatever is needed for your care and well being we do our best to provide. That all inclusive care provides:

- Unit Based Teams to provide the daily care according to your health needs.
- Medical staff available on site or call 24/7.
- Mental Health providers who specialize in Alzheimer's Disease and other Dementias.
- Clinical Dietitians for nutritional support.
- All Pharmaceutical needs provided at no additional cost.
- On site specialized and therapy care in:
Dentistry, Optometry, Respiratory Therapy, Podiatry, Audiology, Speech, Physical Therapy, Occupational Therapy, and Music Therapy.
- Social Workers to partner with the Veterans and families.
- Free transportation to appointments at state VA facilities or other providers.

It's about you

Yes, it is about you at the Iowa Veterans Home. In a community of residents, family, volunteers and staff it would be easy to feel lost. We focus on what you need or want. Our buildings and household living concept have a goal of private rooms for every resident with familiar staff on a daily basis.

Your leisure and life choices are important to us as we provide a wide variety of recreational and social opportunities for you. Your unit Recreation Therapists plan events at IVH, going out to eat, concerts, sporting events and sightseeing trips. Our Chaplaincy program is available with two worship services each Sunday and Catholic Mass once a week.

This is your “Home” and as such you are free to participate in the community, whether at IVH or the local area.

If you can picture yourself here, then you are home.
